Soap Sense

Very few mothers would think of using an impure laundry soap to wash their babies' dresses. How much more important it is to employ a pure and non-irritating soap for baby's delicate and tender skin than for the clothes which cover it. CURATIVE-SKIN SOAP is the ideal soap for baby's bath as its blandness and soothing effect upon the skin prevents blotches, pimples, or unsightly and torturing eczemas. We guarantee its absolute purity.

CURATIVE-SKIN SOAP is made by Fels & Co. one of the best and largest exclusive soap manufacturers in the United States.
